

Thank you for your interest in our hospital! The following is a generalized treatment plan for the kitten front feet declaw procedure for patients less than 1 year of age. If your cat is over one year of age, please call us for pricing.

Pre-surgical exam: \$40.00 (This is required if Dr. White has not previously seen your pet.)

Procedure includes:

- Preanesthetic bloodwork
- Anesthesia with assisted patient monitoring
- Local anesthesia of front feet
- Declaw
- Pain Medications
- Minimum of 2 day stay in hospital

Estimated Total: \$40.00 examination (if required) + \$305.00

Please Note: All patients must be current on Distemper and Rabies vaccinations in order to be admitted into the hospital.

Rabies vaccine: \$26.50

Distemper vaccine: \$26.50

Other recommended services:

Annual deworming with Profender: \$25

Feline Leukemia vaccine: \$26.50

In addition, we do provide a wide variety of heartworm preventative and flea control products. We recommend heartworm and flea preventative be given each month to all dogs and cats in the Charlotte area regardless of lifestyle.

Thank you for contacting us! If you have any questions, please do not hesitate to give us a call.

Prices are valid until December 2011.
